

AKASHA

Beneath the bustling sweep of Regent Street lies Akasha Spa, one of London’s leading wellness destinations. Welcoming a thriving community of members alongside Hotel Café Royal guests, it is as much a members’ wellbeing space as it is a luxury hotel spa. Centered around an 18-metre lap pool, marble-clad hammam, watsu pool, sauna and steam room, Akasha is designed as a place to spend an hour, an afternoon or an entire day devoted to restoration.

Drawing on both ancient healing traditions and the latest advances in evidence-based wellness, Akasha combines time-honoured therapies with cutting-edge technology, advanced skincare and results-driven treatments. Expert practitioners tailor every experience using premium skincare brands and honouring both heritage and innovation.

Wellbeing extends far beyond the treatment room through yoga, breathwork and guided meditation in a dedicated studio, alongside strength training, conditioning and martial arts-inspired movement in the state-of-the-art fitness space.

Whether visiting for a restorative massage, an invigorating workout, or a holistic wellness journey, Akasha offers a hidden retreat where guests and members alike return to restore, reconnect and thrive.

OUR BRANDS

At Akasha, we present to you an exquisite selection of spa experiences, carefully curated in partnership with some of the most prestigious and renowned luxury spa brands in the world.

Valmont

Since 1985, Valmont’s mission has been to offer amazingly effective high performing anti-aging treatments and products. Also known as ‘the Magician of Time,’ Valmont has stepped into the Swiss cellular cosmetic tradition for more than 40 years, helping achieve in skincare, immediate long-term results of un-equalled quality. The skincare products are sourced from the natural environment of Switzerland, preserved and pure, combining subtle alpine ingredients to innovative scientific expertise, to achieve optimum quality.

U Beauty

U Beauty has a steadfast commitment to providing a simple, clean, and effective solution for all skin types, with an unwavering focus on achieving long-term results and preserving skin integrity. U Beauty’s continued global acclaim is a testament to the brand’s double patent-pending, cutting-edge SIREN Capsule Technology, which empowers lower-level actives to achieve more and deliver truly transformative results through a proprietary encapsulation delivery system.

Therabody

Therabody was created in 2009, when company founder Dr Jason Wersland suffered a debilitating motorcycle accident; he created a makeshift Theragun to rapidly massage away his muscle pain. In 2016, the first Theragun came to market, and immediately became a run-away success, winning countless awards and being used by everyone from top athletes to physiotherapists treating chronic pain. Today, the Therabody range includes products designed to treat a wide range of physical ailments, to relieve stress and tension, to enhance recovery after training or injury, and to improve rest, mindfulness, and sleep.

SUNDĀRI

Ayurvedic-inspired skincare founded on the belief that your skin reflects your inner state. Combining Ayurvedic principles—which state that health and wellbeing are achieved when your mind, body, spirit, senses, and emotions are in perfect balance—with modern technology, this skincare line addresses different Doshas to help you achieve a healthy and balanced skin.

MarocMaroc

The heritage of the brand enables authentic wellbeing spa and hammam treatments. Inspired by the ancestral beauty routines of Moroccan women, the MarocMaroc adventure started in 2006, the fruit of a strong desire to pass on and promote this exceptional cultural heritage. MarocMaroc is characterized by elegant authenticity, each product inspired by a story, a ritual or an ingredient which evokes some element of Morocco.

Proverb

Proverb’s mission is to make natural and organic products that are better for human health and performance, the planet and its people. Our Proverb facial and massages are performed using Proverb’s bioactive and organic oils; rich in nutritional anti-oxidants, omega fatty acids and vitamins, formulated for lab proven results. Designed especially for people with active lifestyles who are looking to release muscle tension and improve range of movement and flexibility.

If you would prefer to have treatments in the comfort of your room, please call Akasha on 5117 and note that there will be an additional charge.

Spa Relaxation Areas

After your treatment – or as a gentle introduction to our wellness offerings – guests are invited to unwind in our serene relaxation spaces. Here, you can explore a range of innovative wellness tools, including immersive SmartGoggles and Therabody devices, designed to enhance your relaxation and rejuvenation experience. Whether you prefer technology-assisted relaxation or quiet reflection, our spa provides a welcoming environment to support your well-being.
